# Medication Safety Resources

## Medication Storage

- **Prescription Lock Bags:** The Locking Medication Bag is ideal for any individual on prescription or over the counter medication. Provides a safe and secure way to store and travel with medications, especially important for pain medications, insulin syringes, sleeping pills, and other mood-altering prescription medications. Comes with a set of keys.

## Medication Disposal

- **Deterra Pouches:** Deterra Drug Deactivation System Pouches provide a safe, convenient, and permanent disposal of unused, expired, or unwanted medications at home or in a clinical setting. Our plant-based Deterra Pouches use organic proprietary activated carbon to deactivate drugs and prevent future environmental contamination. Comes in small, medium or large pouch sizes.
