www.resourcecenter.org

The Resource Center is a NHSC-approved site that provides primary health services. NHSC supports health centers in rural and urban communities.

ABOUT

Our Patient Access Navigator assists and directs current patients as well as potential patients with information and assistance with their health care needs. We offer those individuals seeking services, support and guidance through TRC services, community resources and with their insurance needs. We look forward to making your experience the best it can be.

SERVICES

- ✓ Insurance Navigation for all patients
- ✓ Enrolling in health-related services
- ✓ Addressing transportation issues
- ✓ Guidance with outside community resources
- ✓ Assistance with enrollment for additional TRC services

QUALITY IS OUR PRIORITY

TRC Community Health Center is recognized by the National Committee for Quality Assurance (NCQA) as a Level-III Patient Centered Medical Home (PCMH). A PCMH is a health care setting that emphasizes partnerships between individual patients and their personal physicians.

Quality Model Components

- Prevention
- Care coordination
- Long-term relationship with care team

INTEGRATED APPROACH

At TRC Community Health Center, our integrated services are focused on addressing all of your wellness needs including physical, dental and emotional health. In addition, we provide services designed to improve family stability, employment and community involvement.

For your convenience, services are available in a single location, which allows our providers to consult with one another, thereby providing you with the highest quality, holistic care available.

SAFETY FIRST

TRC Community Health Center is committed to adhering to all recommended safety and disinfecting protocols and places the health and safety of our patients as well as our staff as our highest priority.
