# Mrs. Hite

## Experience

Mrs. Hite most recently retired from the Westfield Central School District as the high school principal after an astonishing 32 years. Ms. Hite has been praised by former superintendent Dave Davison saying, "Ivana always puts students at the heart of her decision making." Mrs. Hite's previous experience will be a great asset to our district.

Hello Sherman families!

I am beyond excited to return as your Interim Principal. I hope everyone has enjoyed their summer break...recharged and refreshed for another outstanding school year.

A big hello & warm welcome to our new and returning students. A heartfelt and final "Welcome Back" to this year's graduating class. May this year be your best ever!

I love the beginning of school. It is exciting to have faculty and students back in the classroom and hallways. We have great teachers at Sherman who spend many hours planning and creating instructional lessons and activities that support an enriched and rigorous curriculum for all students. I hope your child takes each opportunity to flourish and succeed.

On behalf of the teachers, administration and staff at Sherman Central Schools, I would like to welcome everyone to the 2023-2024 school year.

Sincerely,  
Ivana S. Hite  
Interim Principal
