Ms. Cullum

About

Hello Sherman Families! My name is Becca Cullum and I am excited to start this school year at Sherman as a school counselor for behavior support. I currently live in NY with my partner, Sam, and our fur family of cats and dogs.

Experience

I graduated from Eastern University, a school based in Philadelphia, PA, this past May.

Why SCS?

While completing my internship last spring at Sherman and filling in as the interim elementary school counselor for the remainder of the school year, I absolutely loved the small town feel and close-knit community that is evident amongst the staff and students in the district. I look forward to getting to know all of you and can't wait to have a great year at SCS!
