

Meet the Teacher

Mr. Moyer-Matteson

About

Thank you for welcoming me to the Wildcat family. My name is Stephen Moyer-Matteson. Most of my immediate family lives in Chautauqua County, which is important to me so I can see them regularly throughout the year. I married my wife Ginny last year and we have 3 rescue dogs, Ami, Ladybug and Harley. I enjoy exercising and challenging myself in endurance sports such as running, cycling and triathlons. My wife is my cycling buddy who travels all over Chautauqua county roads enjoying seeing our beautiful countryside including many of the farm animals.

Experience

I grew up in Lakewood, NY and after going to Southwestern Central School, I attended JCC, SUNY Brockport and Canisius University. Previously I taught Health and Physical Education at Washington middle school for 7 years before I was given the opportunity to become a Sherman Wildcat.

Why SCS?

I am excited to be part of your Wildcat family because of the small town community feeling you get when you enter Sherman. Every time I have been to a sporting event or rode through the town I sense a community that would help each other in times of need. Wildcats and wolf packs help each other in everything to make each other stronger. I hope that I can help the Sherman community become stronger while getting to know each and every family that calls Sherman home.
