JEFFREY FLETCHER

Inducted 2017

Jeffrey is a 1989 graduate of Sherman Central School. He was born December 19th, 1970 in Salamanca, NY and was raised on the family dairy farm in Clymer, NY. He is the son of Richard Fletcher of Clymer, NY and Patricia Buttles of San Antonio, TX. After graduating from Sherman Central School, he attended Florida Southern College in Lakeland, FL and earned a Bachelor of Arts degree in Biology. He continued his post-baccalaureate studies in Molecular Biology and Genetics at the University of North Florida in Jacksonville, FL while gaining employment with the Florida Department of Law Enforcement (FDLE), Jacksonville Regional Crime Laboratory as a Forensic Biologist/DNA examiner in their Serology/DNA division. He met his wife Nicole and the two of them moved to Atlanta, GA in December of 1999 for a career advancement position with the Department of Defense, United States Army Criminal Investigations Laboratory (USACIL). Jeffrey is recognized worldwide as an expert in the field of forensic biology/DNA examinations and has been involved in thousands of forensic criminal investigations all over the world. His employment with USACIL has allowed him to travel extensively throughout the United States and internationally to the Middle East and various locations throughout Asia and Europe. Jeffrey is a recipient of a commendation of merit and ribbon for his deployment and services to Afghanistan during Operation Enduring Freedom as well as a recipient of the Superior Civilian Service Award with Department of Defense. Jeffrey, his wife Nicole and their three daughters Megan, Abby and Lilly currently reside in Avondale Estates, GA.
